Week Beginning 18th September | 2023

Key Stage Three and Four

From Mr Wilkinson and Mrs Murphy-Sheridan

What an amazing week you have all had! We have seen some amazing learning from all of you. We are super excited to hear what you have done this weekend!

The construction class in Key Stage 4 started to build a barbeque so Mr.Kennard can start cooking some delicious food outside!

Ask me about...

This week, we have been asked what we would like to see in assembly. Ask me what i think should be changed about assemblies.

Class Learning - Asante

This week in Asante, we have been learning about the Black Lives Matter Movement and showing how we can use our words and actions to make a change. We made pasta bakes in cooking and we made Mr.Wilkinson try what we made. We accidentally spilled half a tub of seasoning on his portion. His face was hilarious!

Important Dates

- Saturday 23rd September HOPE sponsored spin bike ride 10am-3pm ASDA Parkgate
- Monday 25th September - Flu Vaccinations

Reminders

- Please make sure all children are wearing correct uniform and to arrive in school with PE kits.
- Please bring in a container for cookery lessons.

Weekly Riddle

What is yours but mostly used by others?

Answer from last week - Envelope
