## NEXT WEEK

We will be basing our activities around Autumn. (The weather is finally matching our topic).

Lots of autumn colours to explore and textures to feel!

## HUGO

This week Class Hugo have done lots of exploration. We've been mark-making in cocoa cloud dough which the children have thoroughly enjoyed and been cutting and snipping herbs to practise our scissor skills. The children had lots of fun in our play focused session by dressing up, using building blocks, playing with farm animals and learning to share. In Maths, we had to find the matching coloured socks as Mrs Jones had got them in a muddle! In Bucket Time, the children engaged really well with some new visually stimulating toys to draw their attention. Mrs Williams did a session using shakers for communication and the children did so well stopping, slowing and getting faster. Some of the children visited the sensory room this week and we hope to take the rest of the class in next week's slot. The children have all done amazingly well this week.

## PLATO

Class Plato continued to explore the story of Owl Babies this week and have explored different types of homes.

We also enjoyed celebrating World Mental Health awareness day 'Hello Yellow' and enjoyed looking at 'What makes us Happy!'
