

HUGO AND PLATO

Theme: Christmas

Week beginning 11th December 2023

CHRISTMAS

Christmas dates for your diary:

Wednesday 20th December 1.30pm in the hub for a Christmas craft afternoon and a chance to connect with other parents. Again, please let the office know if you are able to make it or not.

HUGO

This week, we have been using tweezers for Christmas counting using to place baubles onto Christmas tree. The children have really enjoyed making string paintings. We have been doing lots of prepping for our Christmas ornaments.

The children have been working really hard matching Christmas ornaments and we have been doing some wonderful Christmas mark making.

The children did so well in the nativity and we are so proud of their confidence.

PLATO

Plato have enjoyed explored our Sensory Christmas story this week and practising our Nativity.

We also had fun eating our Christmas Dinner with a special visit from Santa.

The children did so well in the nativity and we are so proud of their confidence.

NEXT WEEK

LAST WEEK OF TERM!

Christmas Galore next week.

We also want to say thank you for all your support this term!
